We're not sure if we could quite call it 'getting back to nature' if you've got a vibe with you, but Cynthia clearly like to get out into the open and expose her bits to the fresh air when she gets the chance!

Trim Job

One day I was having my hair cut by my gorgeous hairdresser Sian. She looked amazing in black ankle boots, a red mini skirt and a tight white crop top that showed off her toned navel and pierced belly button.

As she trimmed my hair her large breasts brushed against my shoulders, sending shivers down my spine. After my cut we chatted over a glass of wine.

My eyes were drawn to her erect nipples poking through her top. I couldn't resist kissing her lips.

She responded with soft and gentle lips, unlike any man I had ever kissed. I

I couldn't believe what we were up to, but I was loving it. Then I lifted up her top. I kissed, sucked and nibbled her breasts as she groaned and stroked my hair.

my legs and ran her tongue over my moist slit, circling my clit. I shook with a powerful orgasm.

Now I wanted to taste her. I knelt before her, lifted her skirt and moved her thong aside. "Finger fuck me!" she whispered, and I eased a finger slowly inside her.

"Use two fingers!" she gasped. I obliged, and ran a finger over her arsehole as well. She was panting with delight, and came when I started licking her erect clit.

We shared a lovely 69 and as I ate her lovely white pussy she licked my soaking black twat.

We fingered each other's arses and came in each other's mouths. I'm hoping to have a similar experience soon – any offers?

Julie, Beds.

I slid my hand down to her pussy to find it was soaking wet.

Then Sian stood me up and undid my bikini ties. She parted

Fucky Heather

My wife Heather is a serial flasher. She flashes her cunt everywhere – B&Q, Tesco and now finally in Escort.

Recently her flashing brought us more than we'd bargained for. We were on the motorway, and Heather had her feet on the dashboard and her fingers in her pussy, flashing to fellow motorists.

This had given me a raging hard-on, so I pulled off the road and found a country lane. Heather soon had my

cock out and was sucking like mad.

Then a van pulled up behind us. I zipped up the old fella and got out of the car to be greeted by the sight of a dark-haired woman in her early 40s.

Her shirt was undone to the waist, revealing a pair of good-sized tits. She explained her husband had seen Heather flashing and had got so horny he needed a shag.

I'm glad he did stop, I thought, as I got an eyeful of

a hard-on due to being a bit nervous. That soon changed when Ian sat Jill down on the bonnet alongside me.

He gently pushed her back and slid her little pink knickers down her thighs. At the same time Jill pulled her skirt up over her waist and opened her legs wide.

harder. I soon had a good handful of Jill's tits, her nipples rock hard against my palm.

I then slid my hand down over her

and I slid two fingers into her soaking hole and began to finger-fuck her.

After a while I sat Heather on the bonnet and pushed my cock straight up her pussy. I began fucking her with slow deep thrusts.

Jill was lying back on the bonnet getting the same treatment from Ian, her big tits wobbling about as he fucked her. After about 5 minutes I flipped Heather over.

I picked up Jill's moist knickers from the floor and pressed them to my nose. Then I started fucking Heather hard and fast. She came, covering my cock with sticky juice.

Ian had already finished with Jill, and she was lying watching us with her legs apart, her big hairy cunt leaking out Ian's spunk.

This sight and the scent of Jill's cunt on my nose really got me going.

I pumped a gallon of spunk up Heather's pussy.

When we were done, Jill let me keep her sweet smelling knickers as a reminder, and Ian pocketed Heather's for himself.

Martin, Dorset.

SHE STOPPED SUCKING AND BEGAN TO LICK UP AND DOWN HIS ROD

— a truly erotic sight. Ian bent down and began licking her hairy pussy.

She was moaning out loud and by now my cock was as hard as fuck. Heather was still busy trying to get as much of it as she could into her mouth.

Soon afterwards Ian stood up to allow Jill to suck his cock. She stopped sucking now and then began to lick up and down his rod.

Her tongue slid down to his balls and back again.

Then she gave him some great deep throat. I wanted to reach out and feel Jill's tits, but I wasn't sure if that would be OK. My mind was

her large erect nipples. She told me they weren't into swapping, but they'd like to join us for a bit of fun.

Heather immediately said they could join us by all means. They introduced themselves as Ian and Jill and we all walked round to the front of our car.

Heather unleashed my cock and began sucking it. Ian and Jill were kissing next to us and Jill had Ian's cock out and was wanking it lustily.

STAR WHORES!

Now the world and his (reader's) wife are holding their breath for the new Star Wars flick (and praying to God it's not as terrible as the last three films!), surely this is the perfect opportunity to get back into the swing of things by checking out Vivid Entertainment's full-on porno parody from a couple of years back. Fancy seeing Princess Leia slurping on Darth Vader's, er, dark sabre? Then look no further! May the force be with you!

OBSCENE... AND HEARD!

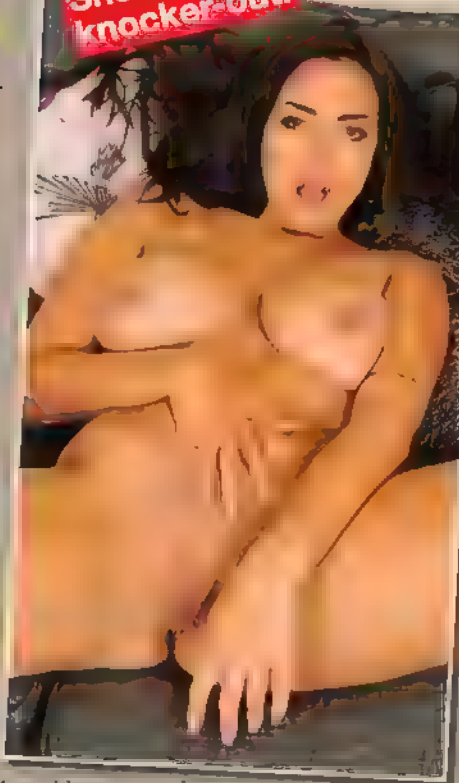

With top UK scruff star Sam Bentley in the mix, you know you're onto a winner with this one - and there's another Escort fave in the shape of Aruba in there as well, getting to grips with a cock in just the way we'd all hoped she'd get to grips with ours! A top notch selection of tarts getting their just deserts makes this one a solid choice if you want something to while away those lengthening Autumn evenings!

What a cracking pair of jugs your centrebabe Amelia sported in the latest issue! I can tell she's the sort of girl who knows how to make the most of them, and a spot of lube, combined with my cock and her knockers would result in quite possibly the ultimate pearl necklace! Mind you, with a girl that horny I'd quite happily fire my load over just about any part of her, from the top of her head to the soles of her feet!

Mike, Stowe on the Wold.

She's a knocker-out!

Amelia will be delighted to hear she's inspired such devotion - and she tells us you're more than welcome to fire your load wherever you want to!

DEAR JULIA

There are not enough superlatives to describe the ball-bustingly beautiful Natalia in Escort 35 No 11. Yes, I am saluting her right now with my erect and aching prick, and I just wish the imminent load I'm teasing out could end up all over the stunner in person, rather than just over her pictures! Well, a man can dream, can't he?

Derek, Surrey.

Dream on, Derek! Natalia's certainly one of the loveliest girls in the country - and Escort's the best place to see her!

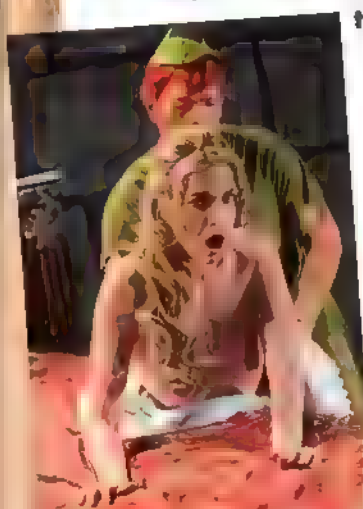

Forrest Fruity!

PAN HANDLER

It might have proven to be a bit of a flop at the cinemas, but the recent Pan flick can at least take

the credit for spawning a cracking new grumble flick! From Wicked studios, Peter Pan XXX boasts some of the studio's finest talent, with lovelies like Vicky Chase, Mia Malkova and Keira Nicole all taking a length or three in their quest to foil the evil Captain Hook. One flick where you can be sure of a very happy ending for all concerned!

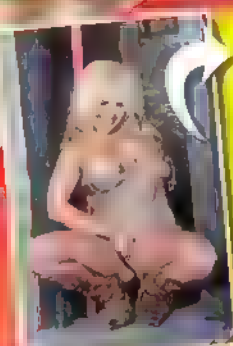

LEMMY AT IT!

Your old lady a bit of a rock chick at heart? Then you won't find a quicker way to ring her bell than by giving her a Motörhead vibe to play with! It's only a pocket-sized bullet, but with 10 thrilling functions, it's the nearest thing to an Orgasmatron she's likely to get her hands on this side of your flies...

Scarlet's clearly living up to her name by giving us the full on Little Red Riding Hood routine, and quite frankly we can see why any self respecting wolf might want to tuck in! And if the only wolf to hand is a small fluffy toy, then so much the better – there's more to go round for the rest of us! It's one fairytale that would be guaranteed to have a very happy ending!

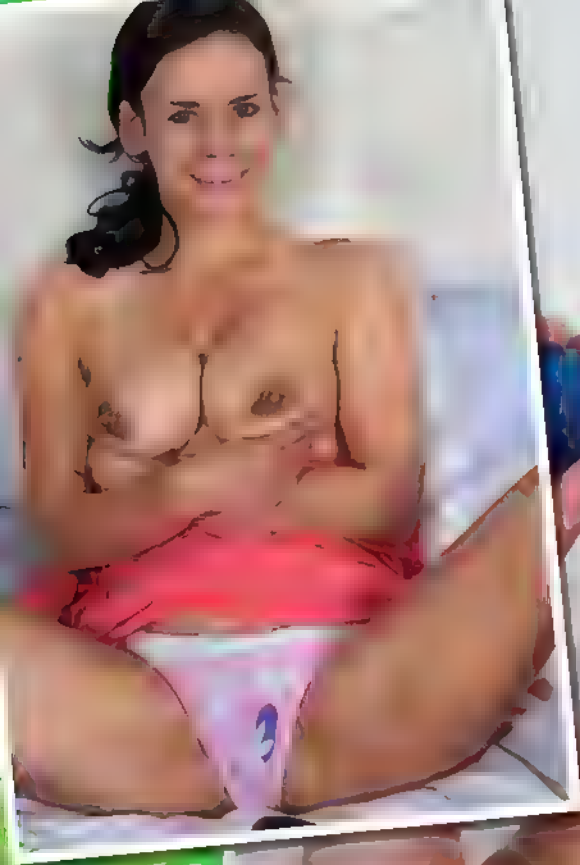

WINNIE

Looking at dirty magazines and wanking – what a disgusting way to spend an afternoon, Winnie!

REAL WIFE SEX

Tina Maudstone

What goes on holiday stays on holiday – unless you write in to share it with our readers, like Tina's done!

Last year, while on holiday in the Seychelles, I had my first threesome, which has got to rate as the most memorable, wildest night I've ever had!

I had gone over there with a couple of girlfriends, just for a week, and we had ploughed our way through the lads we'd met like it was our last week on the planet! But it was on the last night of my holiday when things really started to heat up.

My mates wanted one last night of pulling and were all up for trawling the bars, looking for likely lads, but I was beat. Too much sun and booze had got to me and I wanted a quiet one. I wasn't going to stop my friends from having a good time though, so I told them to go for it and not worry about me, I was happy just to have a few drinks in the hotel bar and a nice, peaceful evening watching the sun set from the patio by the pool. And that's where I met Colin and Luisa.

They'd arrived that night and the first thing they did was come to the hotel bar to have a drink and chill out after their flight. We quickly got talking and, as they had just arrived, they were necking drinks like nobody's business. I felt obliged to at least try to keep up with them. It wasn't long before we were all well oiled and that encouraged Luisa to talk about how pretty I was. She'd constantly turn to Colin: "She's really pretty, isn't she Colin?" and Colin obviously liked me, he couldn't drag his eyes from my tits most of the time, but then I was wearing just my bikini top and some very skimpy hot pants.

The funny thing is, I don't really remember how it happened, but all of a sudden we were back in their room and I was kissing Luisa full on the mouth. She had a great body, her tits were quite small but they were nice and perky, her slim waist was complimented by her tight, firm bum and her face was so sexy – I remember the looks she'd give me,

her hazel eyes said I want to eat you all up and made my pussy gush every time I caught her staring down at me.

So there I was kissing her – me kissing her and not the other way round – pushing my tongue into her mouth, running my fingers through her hair, when she pulled away from me and gave me one of these pussy gushing looks.

"I want you so bad," she whispered, pulling off her tight, white vest and letting those fabulous titties of hers go free. I could feel my juices flooding into my cunt, making a damp patch inside my knickers, and I bent forward to suck one of her nipples into my mouth. It stiffened on my tongue and I reached out to cup her other delicious boob in my hand. With a little teasing, both her nipples grew for me until I had Luisa so turned on that she was grinding herself against my knee.

I backed off for a moment and looked

I angled his dick

at her, wondering if I really was about to screw this gorgeous chick, and she stood up and pulled her cotton panties down until they fell to the floor, her skirt following quickly behind. Without a second thought, I reached out for her pussy. She had trim pubes cut into a small strip above her clit hood and her fleshy labia were gaping open from all that grinding.

My fingers slipped inside Luisa's cunt without my meaning them to and she gasped with the thrill of it. Then Colin, who I'd completely forgotten about, appeared at her side, naked, his cock sticking straight out in front of him. They kissed each other and Luisa reached down to toy with her boyfriend's meat. I must have been quite drunk to forget about the guy in the room, or maybe I was so totally taken with Luisa's body that the thought of having a cock and a pussy to play with completely failed to register, but as soon as I saw his dick in front of my face, next to Luisa's tasty looking pussy, I couldn't get my clothes

off fast enough!

As I stripped down to my birthday suit, I watched the two lovers toying with each other. They were both still standing, Colin had his hand between Luisa's thighs and was playing with her clit and she was trying her best to wank his cock but his fingering was getting to her and she was losing herself in his touch.

"Don't forget about me," I said, joining them and placing my arms around their shoulders. Colin turned and kissed me on the mouth, our tongues meeting, and Luisa's hand wandered down to my buttocks as she pushed me in towards her boyfriend. Colin's cock nudged my stomach and I reached down and angled his dick so that his helmet was rubbing against my clit. He gently thrust his cock against my pussy and kissed me as Luisa came round the back of me and began to nuzzle my neck and fondle my bum, her nipples brushing my back.

"Let me see you fuck my boyfriend," she whispered in my ear, her hand slipping between my buttocks to rub

Colin's cock against my snatch even harder. Colin pulled away from me and Luisa directed me to their bed, her finger gently stroking my anus, encouraging me to kneel on all fours, my legs spread.

She fingered my cunt, dipping two fingers inside me, getting me ready for Colin's meat.

"I want to see you riding him," she purred, and Colin lay down beside me and smiled, resting his head on his hands. I straddled him and sank my wet pussy down onto his thick rod. Luisa mirrored my movements, straddling her lover's face and grinding her cunt onto Colin's mouth and nose. As we rode Colin, we kissed and pawed at each other, masking our moans by pressing our mouths firmly together.

Suddenly, Luisa stopped kissing and touching me and just stared into my eyes, quietly stroking at her own clit as Colin sank his tongue deep inside her.

What started out as a peck turned into a long kiss, and the next thing I knew Kath had her tongue in my mouth. I

kissed her back passionately, surprising myself.

When we finally separated, Darren was looking on with a disbelieving look on his face and a distinct bulge in his pants.

He came over and hugged us both tightly together, wishing us a happy New Year. We weren't

New Years Lay

I've been telling everyone about my latest sexploits, so I thought I'd let Escort readers in on the fun too.

I had often fantasised about having a threesome or a gang-bang, but never actually had one. This changed when I saw in the New Year – with a bang!

I was at a big club in London with some friends.

The atmosphere was really good and we were having a great time, pissed out of our faces.

As the clock chimed in the New Year, everyone started smooching. I'd already snogged my mate Darren and grabbed his bollocks (nice and meaty!) a few times.

But now I found myself next to my friend Kath. We instinctively kissed each other on the lips.

fooled – the sly bastard was trying to muscle in on us for some fun.

Darren soon had us back at his pad snuggled up on the sofa. I started snogging Kath again, and she ran her hand over my breasts and in between my legs.

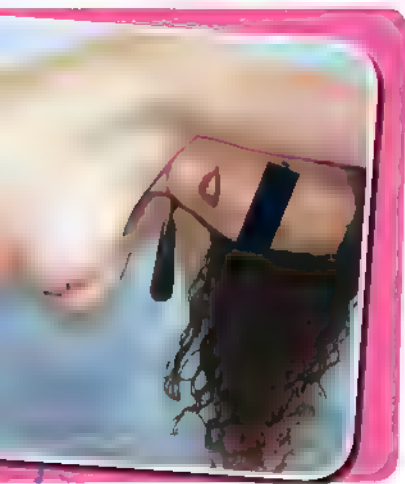

The feel of her hand rubbing against my clit drove me mad with lust.

I put my hand up her top and felt her erect nipples, pinching them gently.

Then Kath lifted my top off and undid my bra. She kissed my breasts all over before taking one of my nipples in her mouth.

I threw my head back in ecstasy, only to see Darren approaching me, trouserless and sporting a big hard cock. He came by the side of me and offered me his knob.

I turned my head to one side and took his dick deep

down my throat. Kath had undressed and was now frantically yanking down my skirt and knickers.

When she had I got on all fours on the sofa. Kath licked and fingered my pussy from behind while I licked Darren's cock and balls.

I desperately wanted to lick Kath's cunt, so she got on the floor on her back. I lapped at her cunt and tasted her juices, nibbling her lips and jabbing at her clit with my tongue.

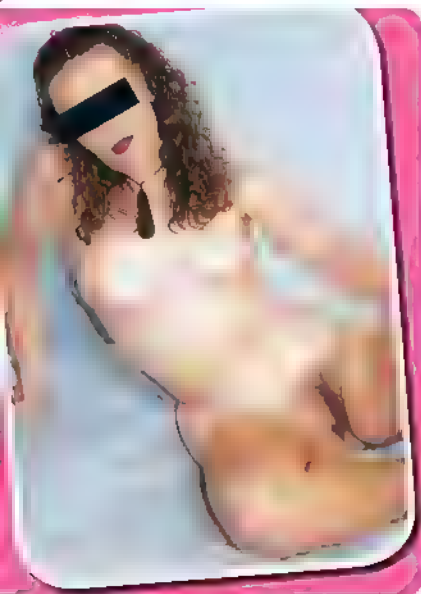

Then I felt Darren feed his cock up my slippery twat.

He started fucking me like crazy, really caning me. I can picture the scene now – dirty and delicious.

After a few minutes he pulled out and scrambled over to shoot on my face and Kath's cunt.

We spent the rest of the night fucking till Kath and me had spunk oozing out of every hole. I can definitely recommend it as a way to start the New Year – and I think I might try something similar whwn the time comes this year as well!

Anastasia, London.

ELISHA

At first we thought Elisha must be channeling Captain Caveman what with that cavegirl get-up and the big pink club she's waving about, but of course she's too young to remember that programme. Not that she wouldn't mind a caveman of her own...

"I don't think I'd enjoy the getting clubbed and dragged around part, but I could definitely see me snuggled up by a fire in a cave with some muscly bloke to keep me warm through an ice age!"

So if you've got a cave handy, better keep an eye open for Elisha, eh?

Lucky Jim!

I was recently reading the adult section in my local paper when something caught my eye. It was an advert for a male escort.

couldn't resist giving myself a rub.

I pushed two fingers inside myself, then three and four.

I groaned loudly as I came to a climax, my pussy muscles contracting round my

fingers. I couldn't wait to meet Jim.

I wore a short leather skirt, pink top, ankle strap stilettos and wide fishnet tights. I didn't bother with knickers, allowing my piercings to hang

on and my pussy was getting wet. His mouth dropped open and he put his hand on my leg. I spread them wider apart.

His hand went between my

I MENTIONED THAT MY PUSSY WAS GETTING WET...

through the stockings

We had agreed to meet at a local restaurant, and when I arrived Jim was already there. He came over, kissed me on the cheek and showed me to our table.

I casually mentioned that I didn't have any knickers

legs and he began to stroke my pussy. I was feeling very horny, so when his fingers were in the right place I pushed myself forward onto him.

His fingers slid inside my hot wet cunt. He looked at me and I smiled, inviting him to finger me. His hand moved

**CONTACT
ME**

I was at a loose end, so I decided to phone the 'good looking guy' who was looking for a 25 to 35-year-old woman 'for a good time'.

His name was Jim and he described himself as a 38-year-old with a muscular build and a 9-inch dick. That was enough for me - we arranged to meet the following Friday.

When the day came I took a long time to get ready. I had a long soak in the bath and shaved my pussy bare. I

only slightly so nobody could tell what we were up to.

It felt incredibly good and my juices started to flow. We had to stop when the waiter came with the food, but before we started I licked Jim's fingers clean.

As we left the restaurant the waiter winked at me and said, "Nice pussy!" He'd obviously seen what had happened and that turned me on even more.

We got a taxi back to Jim's house and as soon as we were inside the front door we ripped each other's clothes off. Jim kissed my tits passionately and worked his way down my body.

My legs opened and he started to lick and suck on my clit. My body started to tremble as another orgasm hit me. As I was cumming Jim sucked hard on my clit ring.

This always sends me over the top and my juices started running down my legs. Jim drank some of it up and said it tasted beautiful.

I squatted down in front of him and got his tool in my mouth. I had been aching to suck him off all night. I sucked hard and long, his cock squelching in my mouth.

Then he took me to his bedroom, laid me on the bed and tied me to the headboard with the straps on my stilettos.

He started to tease me by putting his cock into my pussy and then my mouth alternately. He did this for about 5 minutes until I was begging for the fucking I needed.

Jim eased his cock inside me and started pumping. My juices ran so much that on each inward stroke pussy juice splashed out of me.

After a while Jim said he was going to cum.

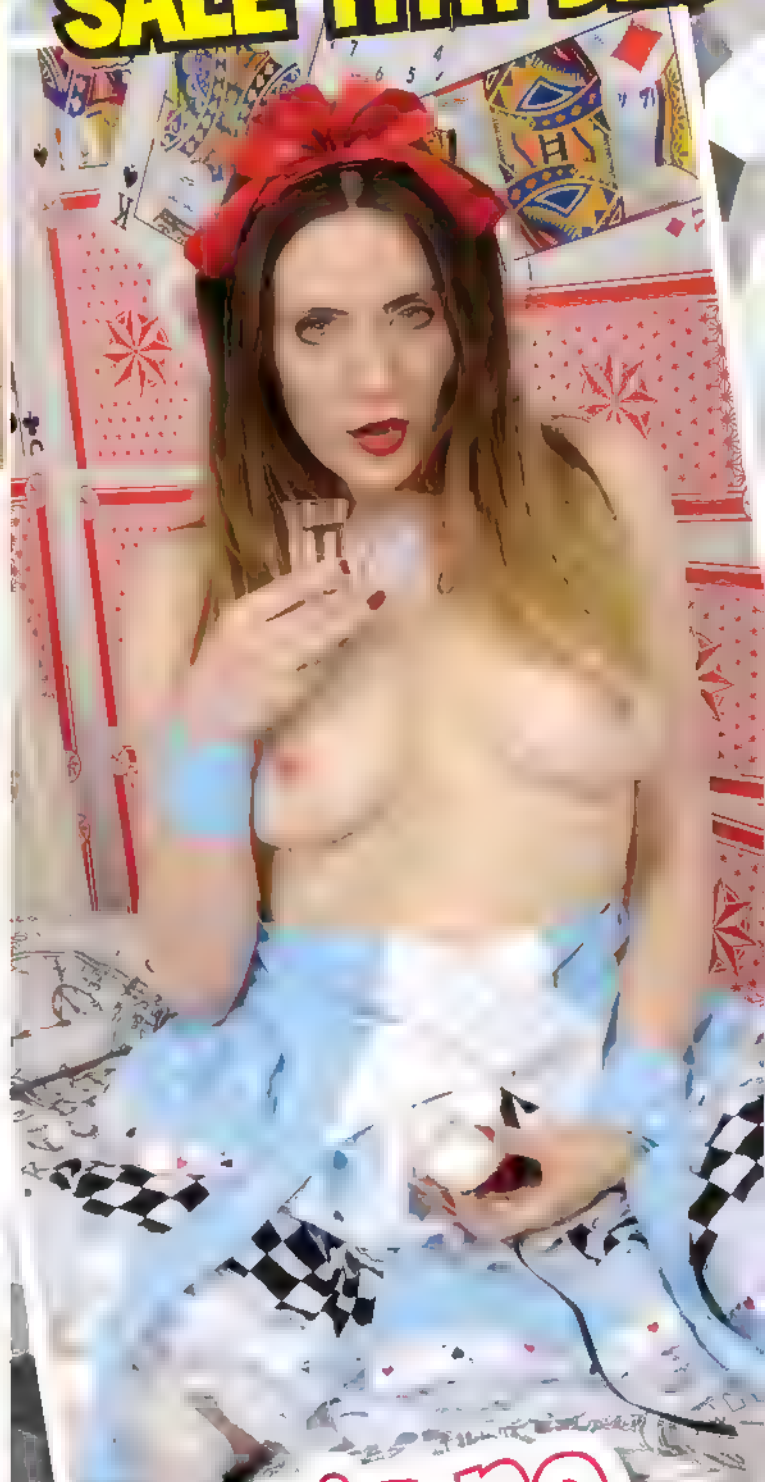

I told him I wanted it up the arse, so he untied me and turned me over.

His cock slipped easily into my arse. He fucked me for a short time before his cream began to mingle with mine as he shot his sticky load deep into my quivering arse.

He fucked me up the arse again before I left the following morning, just for good measure. I don't think it'll be long before I'll be checking the adverts again if this is the sort of thing I can get up to!

REAL WIFE SEX

Time taken to read from page 22

her turn now.

"Eat me," she smiled, laying me down next to Colin and kneeling over my face. Colin climbed in behind her and pushed his cock up her cunt and I raised my head and began to suck and lick on her clit and his cock and balls, behaving like a total slut. Luisa subtly toyed with my clit and hood as Colin and I tried our hardest to bring her off.

I raised my head and began to suck and lick on her clit and his cock.

If I could have become any wetter, I would have. The look she gave me must have made a million men as hard as a rock, the lucky ones who'd seen her use it. I reached back to squeeze Colin's balls, trying to get more cock inside me as Luisa stared into my eyes. It was as if she was willing me to be as rude as possible. I rubbed my own juices up over my ring - I was sure that was what Luisa wanted - staring her in the face with what I thought was my sexiest, slutty expression

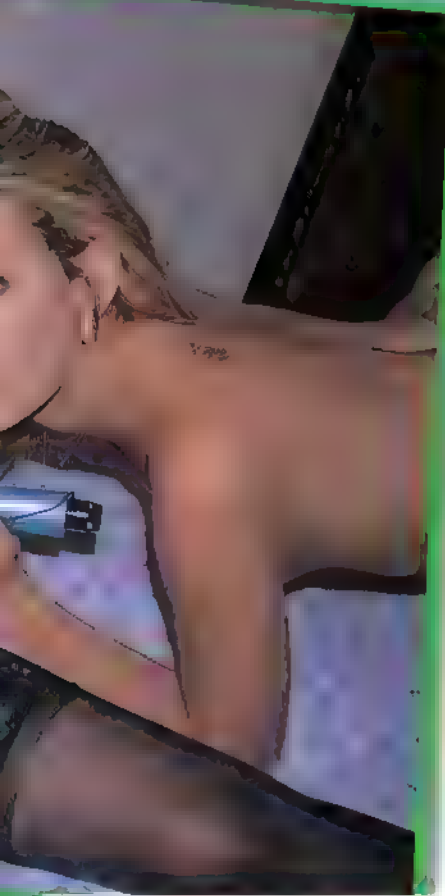

She was a mind reader, she climbed off her boyfriend's face and came round the back of me. She took my hand away from my arsehole and replaced it with her own, wiggling a finger up my arse. "Have you ever been fucked by two cocks?" she asked, whispering into my ear as she fingered my anus and squeezed my tits. Her mere presence was enough, by then, to bring on my climax and I tried to answer her as my orgasm rocked through me.

When I had come down from the ceiling, I wanted nothing more than to make this incredible woman come as hard as I had and I told her that it was

"You wanna see my little slut come?" Colin asked me and I cried out yeah, as much because I was really enjoying Luisa's fingering as anything else. From my vantage point, I watched as Colin pulled his sopping cock from her pussy and ploughed it right up her arsehole, without missing a beat. "Now put three fingers up her pussy and suck as hard as you can on her clit," he said,

breathing hard and pumping away with a fury. I did exactly as I was told, matching Colin thrust for thrust as Luisa's orgasm shook her world and she bucked heavily against us both. I don't think I have ever been as horny as I was with that woman's fingers up my arse, I'm so gutted that was the last night of my holiday! ☺

Hotel Hump

You printed my letter in a while back, where I told you how my wife Anna went to her boss Bob's leaving party and ended up fucking him senseless.

Last week Bob rang up asking if we would like to meet up with him as he was

dress. I could tell by the way she looked at Bob she couldn't wait to fuck him.

After a couple of drinks we went up to Bob's room. As we went through the door Bob turned to Anna, kissed her and pushed his hand up her dress. She was in ecstasy as he rubbed her cunt, telling him how much she had missed him

I COULD SEE HIS COCK SLIDING IN AND OUT OF HER

in town on business. We arranged to meet him at his hotel. Anna was so excited when we arrived you could see her nipples through her

and how much she wanted to fuck him.

I came up behind Anna while this was going on and began to finger her arse, something

Jaki Off

My girlfriend Jaki and I have been going out for about 7 months and the sex is great. In fact, it's the best it's ever been.

My fantasy has always been to watch her licking out another pussy. A month ago it was my birthday and Jaki had been in contact with her friend Carol.

Carol is a gorgeous blonde with nice firm tits and a pert arse. Anyway, I had been out for a few drinks with some

mates from work.

Arriving home, I heard muffled noises coming from the lounge. I opened the door and there was Jaki with her head buried in Carol's visibly wet cunt.

Both of them were oblivious to me standing there with a stiffy. I saw our Polaroid camera sitting in the hallway so I picked it up

and started snapping away.

I watched Jaki eagerly eating Carol's cunt and nibbling her clit. Jaki lapped at her new-found lover's juices as they ran down her thighs.

Carol then reversed the roles, pushing Jaki down on the sofa. She released her taut blouse and sucked on Jaki's pert tits, bringing her erect nipples up like cherries.

She slid her hand down over her lover's soft body until she reached her wet cunt.

Carol pushed two fingers straight into the moist entrance.

Jaki arched her back as Carol expertly finger fucked her.

My girlfriend was writhing about as her sexy friend pushed her thumb into her clit, grinding it in circles.

Jaki's pussy juiced up with pleasure. All this was too much for me to take without doing something about my rigid cock.

I whipped my kit off and within seconds my swollen prick was in Jaki's face. She lapped at my red helmet, tracing her tongue up and down it before sucking me to my balls.

My cock pushed in and out of her mouth as Jaki caressed it with her tongue, teasing my foreskin with the tip. Holding my erect cock with two hands, she sucked off a globule of pre-cum.

HER CUNT WAS DRIPPING WITH JUICE

JAKI,
DEVON

By now I was dying to sink my cock into some wet pussy. I positioned myself over Jaki's face and lined my cock up with Carol's peachy arse.

Her cunt was dripping with love juice, which came cascading down her thighs. I thrust my cock forward and gently slid into her pussy before plunging deep inside her.

The lips of her cunt were forced open as I drove into

£90

Anna kept telling Bob to fuck her harder and was rewarded by Bob pulling almost right out before pushing his 9 inches back in with such force she almost lost her breath.

After 5 minutes, Bob could not hold out any longer. "Come in my mouth," gasped Anna. He pulled out, jerked and sent his spunk over her tits, face and mouth.

All this time I had been wanking, waiting for my turn. As Bob spent his last few drops I pushed him out of the way and shoved my throbbing cock up

Anna's arse. She went wild and was thrashing about, telling me to spunk up her arse. I obliged by emptying my balls up her back passage.

Bob has promised next time he'll bring a male friend with an even bigger cock. I can't wait – and neither, of course, can Anna!

Dave, Essex.

she loves. Bob and I took off her dress and started to lick her all over. Bob started at her nipples and we finally met at her cunt.

Bob licked her pussy and I stuck my cock in her mouth. She sucked me off while Bob fingered her to orgasm. Then he pushed his cock straight up her. I could see his cock sliding in and out of her, glistening with juices.

her. Jaki was nibbling on my balls and licking Carol's cunt at the same time. The sensation these two

gorgeous women were giving me was unbelievable. Jaki's hands raked along my balls as I pushed in and out of her mate.

Then in mutual ecstasy I spunked up Carol, sending jet after jet of my sperm into her womb.

Carol screamed out, telling me she was having another orgasm.

Both of us now concentrated

from Carol's cunt. Before long Jaki's back arched and her arse bucked away as wave after wave of pleasure coursed through her entire body.

We are now looking for more gorgeous lovers, so come on all you bi-women – Jaki's waiting for more cunt-licking lips to go down on her.

Mike, Devon.

The Full Monty

I was really chuffed when my cousin asked me to be her chief bridesmaid. We had the hen party at my house, and everyone chipped in for a stripper.

I got Alex, who was experienced and had a twinkle in his eye. He had my cousin eating a banana out of his black studded thong, which was a scream, and when he gave them 'the full Monty', they went mental.

After the show and some posing for photos, I took him through to the kitchen to sort out his fee. He asked for a beer, only to hand it to me saying I hadn't stopped all night and looked like I needed a drink. I chugged it back in one and next thing I knew, I was there, pretty much sober, snogging the face off a hired male stripper. The party wound down about and I decided clearing up could wait till morning, so I went to bed. At about 1am, my phone beeped – Alex texting to see if I fancied a "nightcap". When I asked him where he was, he said, "Outside your front door."

Stalkerish? Probably. But after the preview I'd had, I was well up for it. I threw a robe on and, once I'd let him in, I let it drop to show him my naked body.

He stripped off too, leaving his clothes in the hallway, and pulled me up on him, my legs hooking round his back as he carried me upstairs. Then he laid me down on the bed and started snogging me, his rock hard cock bumping up against me.

I wanked his dick then jacked it up against my tongue before sucking on it hard. I got so into it I didn't stop sucking until he was emptying his balls down my throat.

"You're good!" he said, and so was he, licking my pussy slow till I was streaming wet and he was hardening again. Then he knelt up on the bed and pulled me on his lap, this time with his prick slipping inside me. It was a good position for building up some steam – when he sucked my nipples I could feel a matching spark go off in my clit. Then he laid me on my back – he looked so big and horny kneeling over me.

Suddenly I realised he was watching our reflection in the mirrored wardrobe door behind me. I told him I wanted to watch us fuck too,

BEXI, HASTINGS

so he dragged the chest from the foot of the bed in front of the mirror and had me bend over with my hands braced on it.

He had a bit of a play with my arse, fingering my slit and crack and rubbing his stubbly face up against my soft, chubby cheeks. But then he put his cock back in me and started humping.

He was a good bit taller than me so when he thrust in it lifted me up on tiptoe, stretching every muscle in me so I really felt him deep. He gave me a few grins and winks, but when he screwed his eyes up and groaned, unleashing his spunk inside me, that's what got me losing it too.

Now he had me sitting on my haunches in front of the mirror, with him behind me, angled back against him so you could pretty much see up my pussy. Then he used his fingers to tease my clit, milking out our cum and letting me lick it off them, or rubbing it on my tits for him to suck clean.

It was one of my best-ever fucks! **Bexi, Hastings**
